

Introduced by Senator Wyland

February 21, 2013

An act to amend Section 51005 of the Education Code, relating to pupil instruction.

LEGISLATIVE COUNSEL'S DIGEST

SB 512, as introduced, Wyland. Education programs: resources of fairs and youth leadership activities.

Existing law provides that the Legislature recognizes that all pupils need to be provided with opportunities to explore and make career choices and to seek appropriate instruction and training to support those choices. Existing law requires, in carrying out these provisions, the State Department of Education to annually encourage school districts to plan programs and activities which utilize the resources of fairs and youth leadership activities.

This bill would make nonsubstantive changes to the latter provision.
